**Youth Visual Art Submissions: *WROL: Without Rule of Law***

Dear Youth Artists,

We are currently in the process of rehearsing for our next production *WROL: Without Rule of Law*. The synopsis of the play is below:

*When Maureen, Jo, Sarah, Vic, and Robbie sneak out at night to investigate an ominous hidden lair in the woods, they believe they have stumbled onto proof of what happened to a mysterious local cult that vanished over a decade ago. As they search for vital clues, examining small bones and dusty cans of food for signs of life, they fight to be understood in a world that seems to reject them. What they discover changes everything—eighth grade will never be the same...*

To help highlight the message of the play and to include more youth voices into the experience of our show, we are looking for youth visual artists to create/produce original works that “answer” or address the following question: **“What is your vision of the future?”** We encourage your honest reaction to our question - the good, the bad and the in-between.

We are open to any desired visual art medium including but not limited to: painting, drawing, collage, textile, photography, original digital art and illustration, etc. If selected, your artwork will be featured in the Gallery at the Orillia Opera House during the run of *WROL* - February 5th-15th 2026.

If you are interested in participating, complete your piece and fill out the [Google Form linked here](#) to provide us with general information, a photo of your work, a brief write-up on your piece, and a media release to display and post your art on our social media. We will contact successful applicants to drop off your physical piece at the MAT warehouse - date and time to be determined.

The submission deadline is **Friday, January 16th at 12 noon.**

If you have any questions or comments, please contact the undersigned.

Thank you, and we look forward to seeing your submissions!

Savana Collier  
Producer, *WROL: Without Rule of Law*
